PRELIMINARY AMENDMENT

Sir:

Kindly amend the attached patent application as follows:

In the Specification

Please ~~replace~~ the paragraph beginning at line 25 of page 28 as shown.

A1  
The data structure is typically implemented in software, for example the data dictionary may be held in a software repository. However, this is not a limitation on the invention and the data structure may, in appropriate cases, be implemented in hardware or in a hardware/software hybrid.

Please ~~add~~ the following paragraph at the end of page 28.

A2  
cm +  
While the invention has been particularly shown and described above with reference to a preferred embodiment, the foregoing and other changes in form and detail may be made therein
